Dear Student

### **GCSE Results Summer 2024**

Congratulations on the results you have received today. I hope that they are what you expected or better!

#### **Help available on Results Day:**

Please direct any queries you may have about your received grades to either Mr Slingsby (Deputy Head responsible for exams) or myself, Mrs Botcher (Exams Officer). We will both be available until midday in Beechurst Hall. If you are concerned about your final grade after this time, please refer to the school website: [Soham Village College – Results and Certification \(sohamvc.org\)](https://www.sohamvc.org)

#### **GCSE Certificates:**

Certificates will not be available until the end of November. I will distribute these as soon as possible within school time.

If you require any further help, please don't hesitate to contact me. After midday on Thursday 22 August, I will not be available until Monday 2 September. I will respond to any e-mail queries on my return in September.

Kind regards

Mrs Nicola Botcher
